**Audience /Social Distancing Guidelines for Taste of Oconee:**
All family groups please enter the football field (bring your own chair) and find a flag to sit at with your family. This is the same seating arrangement we used for the Winter Choir Concert in December.

Covid safe-certified servers from Chops and Hops will bring each person a box food filled with delicious samples from our 15 Vendors. Servers will also take your drink order at this time.

Vendors will be located in the Concession Area. No one except our parent volunteers and servers will be allowed to approach the vendor tables this year.

**We ask that all attendees remain seated for the duration of the event (approximately one hour). As with all school events, masks are highly encouraged.**

**Ticket Packets and Admission into the event:**
Student ticket packets are due No Later than Thursday, April 1st. You must purchase admission to enter the event.

Wristbands for each order will go home on Thursday, April 15th to be delivered to anyone who purchased admission to the event. Anyone attending must have their wristband on to enter the event.

**Raffle:**
We will have a paper form for our raffle at each flag on the football field and an envelope where you can put your cash / check for raffle items from our participating area businesses. Raffle tickets will be $1 per ticket or 6 tickets for $5. Raffle winners will be contacted after the event.

**Thank you!**
**Kristen D and the OCMS Chorus Booster Board**
